1) What's your name? How old are you? Which country do you come from? How many years had you been living in Greece? Which generation of migrants do you come from?

 - I am Dafni Mitridou, and I am 15 years old. I was born and grown up in Greece but I am coming from Romania as well.

2) What kind of things did you take with you when you left your country?

- When I left Greece, I took some toys, many photos, clothes that I don't wear but I keep because my grandpa gave them to me.

3) Would you like to change country?

- To be honest, I would like to come back to New Moudania because I miss many people who live there.

4) Were you welcome in the country of your new settlement? Were you bullied in the new country?

- Yes I was and I wasn't bullied by anyone. There were many people that took care of me and loved me.

5) For what reasons did you leave your mother country?

- Because Greece was going through a financial crisis and my parents believed that it would be better to go somewhere else.

6) What is your family's situation like? Were there mixed weddings?

- No, there weren't any mixed weddings.

7) Did you adapt easilly to the new country? How long did it take you to adapt there?

- It didn't take me much time to adapt because it was easy. I think it took me about one year.

8) What is your opinion about migration? Do you feel comfortable talking about your mother country?

 - I don't have any particular opinion about migration. Generally migration, is something that every person experiences differently.

9) Were you integrated in the new country regarding to customs, language, religion, daily life, food and the way of life in general?

- Yes I was integrated easily because actually the Germans don't have as many customs as the Greeks. Moreover, regarding my daily routine, now I have much more things to do in comparison to what I was doing in Greece.

10) What is your interaction with local citizens?

- I have many friends that make me feel comfortable and help me in whatever I can't do on my own.
